Have Fun Playing Golf in Greenwich

Play golf at the only non-private golf course in Greenwich, the Town of Greenwich-owned championship golf course named the Griffith E. Harris Golf Course, "The Griff" is located at 1323 King Street. The Griff is an award-winning 18-hole Robert Trent Jones designed course built in 1964. The Griff is recognized as one of the premier golf courses in the area. We are honored to announce that we've been selected to host the 2018 Metropolitan Golf Association Public Links Championship. The Griff has also previously hosted an official PGA professional event. In an article written about the course, Greenwich Magazine referred to the Griff as Greenwich's "hidden gem".

While the course is of championship caliber, each hole has four sets of tees to accommodate golfers of all abilities. Practice areas include; a driving range, putting green and chipping area with a sand trap. Also on premise is a full-service restaurant and a Pro Shop with a resident Pro and assistants that are available for lessons along with a full range of golfing supplies and clothing. Further, there are four very active men's and women's golf clubs that play every week during the season. The clubs always welcome new members. For additional information about The Griff, visit our website at www.thegriffgolf.org.

If you, or someone living in your household would like to experience a friendly country club atmosphere without the high cost, become a **new** Griff member (current members receive a renewal form in the mail).

Complete the New Member Application on the back of this page and mail it to the course as directed on the application. Then, at your convenience, please come to the course to obtain your photo ID membership card and household ID number which allows you to reserve tee times.

We look forward to seeing you and making your experience here at The Griff a truly enjoyable one.
