Welcome to the Bruce Women's Golf Association!

Our season runs from April through October, with both 18-hole and 9-hole groups playing golf on Tuesday mornings.

**For 18-Hole Membership**, prospective members are asked to submit one of the following: 5 or more 18-hole scorecards, or a copy of your current GHIN card. The scorecards must be signed, attested, show the name of the golf course, date of play, and course and slope ratings. Scorecard totals must produce an index number of 40.4 or lower to be eligible for 18-hole membership.

**For 9-Hole Membership**, prospective members are asked to submit 10 golf scores of 80 or lower. The 10 score cards must be signed, and attested. If you have a GHIN card then submit a copy of your GHIN card.

For experienced golfers without a current handicap, we offer a **Provisional Membership for a maximum of one season**. Those who wish to take advantage of this opportunity will be able to play on tournament day, but will **not** be eligible for prizes until an official handicap has been established. When the provisional member has submitted 5 dated, signed and attested scorecards giving an index of 40.4 or lower for 18-hole membership, or with scores of 80 or lower for 9-hole membership,

the member will take on regular membership status and will be advised of this status. The handicap chairperson will report the status of the provisional member for the Board to vote, giving the provisional member full membership. The dues for provisional membership are \$88.

Our Annual Spring Opening breakfast will be held at *The Griffith E. Harris Golf Course* restaurant on April 9, 2019, beginning at 8:30 a.m. A continental breakfast will be served. It is important to attend this meeting at which time the new season will be previewed and the new Tournament Books will be distributed.

All new members will be assigned a mentor to help them, meet new members, navigate the sign in procedures, posting scores and general tips.

If you have any questions please feel free to call me.
